

Care instructions

Wenatex Summer and Winter Quilt

Care symbols:

To get the most from your products, please ensure that you follow these important care instructions:

- The quilt should be washed at least twice per year to maintain optimal hygiene.
- The quilt can be washed at up to 60° Celcius on a gentle cycle.
- We recommend the use of wenaCare[®] laundry detergent, developed especially for Wenatex products. Wool wash or gentle detergents with no harsh chemicals, optical brighteners or bleach can also be used.
- After washing, the quilt can be air-dried in the shade or placed in the dryer on a low/cool setting.

We recommend:
